Team managers' meeting	The meeting will take place 15 minutes before the start of the competition. Each club must be represented by a team manager or coach.
Background	This competition succeeds the former ANC Para Swimming Open. It is being relaunched in the 2026/2027 season with an expanded programme including the Infantis and Juvenis age groups. The World Para Swimming technical and regulatory framework will continue to apply to Para Swimming events.
Eligibility and participation	Open to swimmers with all types of impairment. Eligible participants include swimmers registered with the Portuguese Swimming Federation (FPN) through their respective territorial associations, with a valid sports medical examination recorded and approved in FPNSystem, as well as national teams and foreign clubs duly affiliated with their respective national federations. ▻ Each swimmer may enter up to five events. ▻ Only swimmers belonging to the sport classes specified in the programme may compete in each event. ▻ Swimmers in the Infantis and Juvenis age groups may compete in the events designated for them in the programme.
Heat seeding	Heats will be seeded according to entry times, irrespective of sport class.
Qualification for finals	Swimming: the 10 fastest swimmers in the heats will qualify for the final. Para Swimming: the s swimmers with the highest WPS points achieved in the heats, across sport classes S1–S14, will qualify for the final. Three additional final places will be reserved: one for sport class S15, one for S17 and one for S21. If no swimmer enters in any of these classes, the corresponding place will be allocated to the next eligible swimmer with the highest WPS points, regardless of sport class within S1–S14, following the overall ranking order.
